Life Doesn't Frighten Me

By Maya Angelou

Shadows on the wall
Noises down the hall
Life doesn't frighten me at all

Bad dogs barking loud
Big ghosts in a cloud
Life doesn't frighten me at all

Mean old Mother Goose
Lions on the loose
They don't frighten me at all

Dragons breathing flame
On my counterpane
That doesn't frighten me at all.

I go boo
Make them shoo
I make fun
Way they run
I won't cry
So they fly
I just smile
They go wild

Life doesn't frighten me at all.

Tough guys fight
All alone at night
Life doesn't frighten me at all.

Panthers in the park
Strangers in the dark
No, they don't frighten me at all.

That new classroom where
Boys all pull my hair
(Kissy little girls
With their hair in curls)
They don't frighten me at all.

Don't show me frogs and snakes
And listen for my scream,
If I'm afraid at all
It's only in my dreams.

I've got a magic charm
That I keep up my sleeve
I can walk the ocean floor
And never have to breathe.

Life doesn't frighten me at all
Not at all
Not at all.

Life doesn't frighten me at all.

Laughing Matters

Little Boy Lost

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover.

The little boy watched in amazement, and then asked, "what's the matter, haven't you ever seen a little boy before?"

The Tooth Fairy

Adam & Eve

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on."

The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me!"
His father replied, "No, your mom was talking about her side of the family."
